Présentation de l'éditeur

This book collects the best artwork from the first five years of Bad Dads, an annual exhibition of art inspired by the films of Wes Anderson. Curated by Spoke Art Gallery in San Francisco, Bad Dads has continued to grow and progress and has featured work from more than four hundred artists. From paintings to sculptures to limited-edition screen prints, the artworks vary greatly in style, but share the imagery and beloved characters from the mind of one of Hollywood's most noteworthy and imaginative filmmakers. The book features an original cover by graphic artist Max Dalton, a foreword by writer and director Wes Anderson himself, and an introduction by TV and movie critic Matt Zoller Seitz, author of the bestselling Wes Anderson Collection books.
